

CERTIFICATE № 0855/2021 – TPC-19 ATTESTATION

EPA requirements conformity attestation no CTD 0855-4/2022

The assessment was conducted in accordance with the Certification Program (EPA)

By the recognition of the Wood Technology Centre as an independent certification party (TPC-19) by U.S. Environmental Protection Agency (EPA), published August 9, 2017 under the provisions of the Toxic Substances Control Act (TSCA) – TSCA Title VI - Final rule 40 CFR PART 770 - Formaldehyde Emission Standards for Composite Wood Products,

Łukasiewicz Research Network – Poznan Institute of Technology
Wood Technology Centre

Winiarska St. 1, 60-654 Poznan

on the basis of Agreement No 383/2021 for certification and continuous supervision of the production of wood-based panels in the scope of formaldehyde emission concluded with the Company

LLC «Barlinek Invest»

Czechowa St. 7-V, 21034, Winnica, Ukraine

carried out in the fourth quarter of 2022 an independent external control encompassing inspection of operation of the Company's quality control system, operation of the Company's laboratory for product quality control, and correctness of tests for formaldehyde emission/content in the produced wood-based materials conducted within the framework of internal control of the factory production.

Based on the obtained results (Test report no 383/FH/2022-4) Centre states that the product under supervision, i.e.

Composite Wood Products

under the trade name

“Three-layer wooden floor board
in the range of thicknesses from 14,0 mm to 18,0 mm”

according to the manufacturer's declarations, compliant with standard:

PN-EN 14342:2013-11 Wood flooring - Characteristics, evaluation of conformity and marking

fulfills the EPA requirements for formaldehyde emission given in Final rule 40 CFR PART 770, subject to compliance with the provisions of the existing Agreement No 383/2021 are observed.

This Attestation confirms the validity of Certificate No 0855/2021 – TPC-19 and is effective until 1st day of April 2023 on the understanding that the results of the next audit are positive.
