eco

![environmental imagery]

environmental concern and a pro-ecological attitude are paramount values of the brand

pro-ecology campaigns

we plants trees
for every package of Barlinek flooring sold, we plant 1 tree; Barlinek Customers Forest is growing and today includes more than **18,000,000 trees**

we save peregrine falcons
thanks to the activity undertaken over the past few years it has been possible to return as many as **100** of these beautiful birds to the forests

we protect "Bartek" the oak
we also allocate funds to carry out the necessary renovation work to save the ancient Bartek Oak - Poland's most famous nature monument

responsible production

✓ **Next Step = zero waste**
all waste generated in the production process is reused through internal recycling

✓ **100% of required heat energy**
100% of required heat energy and **60%** of electricity used in Barlinek factories is covered by our own production. The remaining **40%** of power demand is sourced by green energy!

✓ **greenhouse gas emissions**
reduced by over 70%

✓ **dust emissions limited to almost zero**
our filters remove **99%** of dust

✓ **100% precise and thorough**
segregation of all waste

✓ **we use 100%+ of the wood;**
we digitize the most beautiful boards for the **Next Step** collection
